## THE **ENTH**DEGREE / GIFT GUIDE

### THE LIST

#### POUR MORE

This limited-edition magnum decanter marks Robert Mondavi's 100th birthday; [robertmondaviwinery.com](http://robertmondaviwinery.com), \$450.

#### BY GEORGE

America is once again making terrific rum. This silky-but-strong St. George Agricole is one of them; \$50.

#### MIX MASTERED

Pre-mixed cocktails are having a moment. The best, like this Mule, can be found at [crafthousecocktails.com](http://crafthousecocktails.com), \$20.

#### LEMON AID

Made from organic lemons, this Sonoma take on the Italian digestif will help close out any meal; \$25.

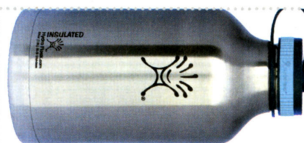

#### A LITTLE ITALY

Award-winning photographer Robyn Lea captures the night life, fashion and families of Milan. One flip through and you'll feel like a local; [amazon.com](http://amazon.com), \$95.

#### VIN PRICK

The proverbial better mousetrap of the wine world, the Coravin uses a needle to pierce the cork then pumps argon gas (safe, tasteless) into the bottle so no oxygen enters as the wine exits. Cork reseals itself, so you can remove the needle and place the bottle back on the rack. Already revolutionizing by-the-glass service in restaurants, it's perfect for testing bottles in your cellar; [wineenthusiast.com](http://wineenthusiast.com), \$300.

#### BEER NO-BUST

You didn't even know you needed a non-breakable insulated growler that holds 64 ounces of cold beer until right now. You're welcome; [hydroflask.com](http://hydroflask.com), \$50.

#### STRAW MERRY

Hosting is in the details and these paper cocktail straws made to look like birch bark are a subtle and stylish touch. [shopterrain.com](http://shopterrain.com), \$8 for 144 straws.

#### BOTTLE DOCKET

Design fans will love this collection of photos of the most iconic labels (like the Boneshaker Zin, above) designed by the branding firm CF Napa; [bn.com](http://bn.com), \$50.

#### STEEPED IN WINE

For the wine lover who enjoys a cuppa, VTW's teas are inspired by vino varieties (yes, they're alcohol free). Must try: The White Tea Riesling; [vintageteaworks.com](http://vintageteaworks.com), \$17.

#### TECH BUBBLES

The tapered shape of this Black Tie Champagne Cooler will actually chill out your fizz faster; [riedel.com](http://riedel.com), \$690.
